

More than 101 cups of coffee at M&S Coffee Morning!

Shoppers at M&S Edinburgh Gyle came out in force this morning to join millions of people across the UK raising a mug to help beat people living with cancer by taking part in Coffee Morning fundraisers for Macmillan.

As well as enjoying coffee and cake, shoppers were treated to colleagues dressed as characters from 101 Dalmatians, as well as a whole host of other fundraising activity in store.
