

# Stolen bike is distinctive Orbit – have you seen it?

One of our readers has been in touch to tell us that her bike was stolen last night.

This is not just any bike – it is an Orbit in a distinctive red/silver colour combination.

It was stolen yesterday evening, Sunday 22 October 2017, from Dalmeny Road which is a quiet street, and where owner Marjan unusually left it outside as she was going to use it later.

She recently took the bike on Cycle Route 1 from Thurso to Inverness and uses it in Edinburgh too. She said : “It was a lovely bike and I’m quite peeved it’s gone.”

Can you help? Have you seen this bike? If you have then please call Police Scotland on 101. Or you may leave a comment below or email us and we will pass your message on to Marjan who really wants her bike back,
