

# Vote for the Eric Liddell Centre's new LED lighting

Vote for the Eric Liddell Centre so that they can get a grant for some new lighting.

The centre is in the running for funding from the M&S Energy Fund. In fact they are the only Edinburgh finalist, but they need your help.

The monies which they have applied for would upgrade the lighting in the centre to a more efficient LED system but they need some help to get more votes to ensure that they get the funds.

[tweet\_box design="default"]It is a fairly effortless procedure to [click here](#) and then vote for Eric Liddell Centre. **Votes close on 20 October 2017.**[/tweet\_box]
