

# Escape from the city to peaceful Perthshire

GAMEFIELD, CRIEFF – a 5 star retreat that is ideal for groups

*Only a short distance from Gleneagles Spa for the ultimate relaxing experience*

Looking to escape the hustle and bustle of the Capital this Winter? Maybe a pre or post Christmas break to unwind, or even a Twixmas break between Christmas and New Year with some friends or family?

Gamefield, a magnificent modern country house in Crieff, Perthshire, is the ideal location for a luxurious self catering break, with Gleneagles easily accessible nearby for swimming, golf and the spa.

The property has four double en-suite bedrooms and an additional fifth bedroom, meaning ten people can sleep comfortably. A further four people can be catered for in the adjacent Indie House.

Guests will find a relaxing and indulgent sanctuary with marble heated floors, a large AGA, roll top bath, expansive sofas and king size beds. Gamefield also has a decadent Summerhouse at the bottom of the garden, with a stunning Scandinavian wood burning stove and a spacious hot tub.

Relax here with a glass of bubbly at night as you gaze back at the house lit up in its all glory against the starry sky.

Gamefield is a property designed around enjoyment, designed around light and space...a stunning and inviting property which references its country house heritage but brings it bang up to date with luxurious interiors, today's technological innovations, and other modern features aplenty.

Says House Manager Tracey Oates: "Gamefield can be 'a getaway from it all', where you simply relax and make use of nearby Gleneagles for the spa and swimming pool, or a base for exploring the area in a more active way with white water rafting, mountain biking and hill walking. There is so much to see and do here. The Famous Grouse Distillery is also just along the road for a gereat day out. We have our own private chef at Gamefield should you require it or we can recommend some fantastic restaurants nearby."

"We are just over an hour from Edinburgh so very easy to get to. Get away from the hustle and bustle and relax here!"

Gamefield is pet and child friendly and with its ground floor bedroom and adjacent shower room is also suitable for disabled guests.

Tracey is keen to stress : "Gamefield is effectively your property when you stay there. We don't want our guests to stand on ceremony. If you are a cook, make good use of the large kitchen with its central island and magnificent AGA, gather round our impressive dining table. Gamefield is a house designed to be full of people."

Prices for a two night stay start from £1686.75 but please contact Tracey for special offers and late availability over the festive season and into January when a Post Christmas restorative break may be in order!
