Grange remain the only unbeaten side in men's Division One as most clubs enter the winter shutdown.

Coach David Knipe guided his men to a 7-1 win over Clydesdale at Fettes to take their points total to 26 from ten games.

Champions Bromac Kelburne are tucked in behind on 23 points from ten games after their 4-1 win at bottom side Inverleith.

Stuart Neave's men have only gained one point from their first ten league games since being promoted to the top flight.

Edinburgh University have climbed to fifth with 12 points from nine games and they complete the first half of their programme with a home clash against Uddingston at Peffermill on Saturday.

The students drew 3-3 at Uddingston last Saturday after coming from 3-2 down with a goal from Chris Duncan, his first for two years, inside the final five minutes.

Elsewhere, Dundee Wanderers drew 1-1 with Tayside rivals Grove Menzieshill.
