Edinburgh Capitals are looking to add to their group of Game Day Volunteers.

Volunteering, claims the club, is a great way to get involved in the Capitals' family and be part of a fun and friendly community.

The Elite League club are looking for additional volunteers to help cover duties including a marketing assistant to help with content creation and with photo/video production and university promotions.

They are also seeking a technology assistant to help the equipment manager with general duties such as goal line technology on match nights

All volunteers must be over 18 years of age and if you are interested in volunteering and would like to find out more email amkotsyuba@edcapitals.com before November 10.

Include your name, date of birth, the role you are interested in and a few sentences on why you want to be a part of the Caps Game Day Volunteer Team.
