

Missing man's belongings found near Forth Road Bridge

Police are growing concerned for the welfare of missing 23-year-old Chinese national Xingshau Hu whose belongings were found near the Forth Road Bridge.

Mr Hu took a train from Edinburgh Waverley to North Queensferry station on Friday, arriving at around 11pm and has not been heard of since.

Inspector Steven Stewart said: "We want to trace Xingshau as soon as possible to ensure he's alright and anyone with information should contact police immediately.

"In addition, we would also urge Xingshau to get in touch and let us know he's safe and well."

Anyone with information has been asked to contact police via 101.
