The Monarchs Fans Trust (MFT) have donated over £50,000 to the club since 2015.

And many of the members have been involved in activities to spread the word about the club around the area.

They hold their annual meeting in the bar at Armadale Stadium on Friday (7:30pm).

A spokesman said: “Most of the successful committee will be standing for re-election and you can hear from some of the committee members how things have gone over the past 12 months.”
