

Supernova run at the Kelpies

Over the weekend runners took to the paths around the Helix Park in Falkirk where the Kelpies provided a great backdrop for 5k and 10k events.

Thousands of runners were guided home by the LED lit finishing straight.

The 2018 Supernova Kelpies event will take place on 9th, 10th & 11th November and entries will open this Tuesday 14th November at 9am.
