

# The Edinburgh Christmas wheel opens today

The Christmas Wheel opens later today, but the stars from Radio Forth got first shot on the Princes Street attraction yesterday. It appears that Radio Forth has sponsored the wheel this year.

**Boogie and fellow presenter Arlene – hosts of Edinburgh, the Lothians and Fife's breakfast show *Boogie in the Morning* on Forth 1 – took the maiden voyage on Forth 1 Big Wheel in East Princes Street Gardens as part of Edinburgh's Christmas.**

Open to the public from 1pm today in the heart of the city centre, the brand new Forth 1 Big Wheel has twenty-six enclosed, weather-proof pods, each seating six people for unrivalled views of Edinburgh. The Forth 1 Big Wheel will then be open daily from 10am. One ride on the Forth 1 Big Wheel won't be enough!

Edinburgh residents with proof of their EH postcode will receive a 20% discount. Family tickets are also available. To book your tickets please visit [www.edinburghschristmas.com](http://www.edinburghschristmas.com)
