

Women's hockey – key Edinburgh derby

Grange women host Watsonians in a crucial Division One derby clash at Fettes College on Saturday (push off 14.10).

The visitors are sixth in the ten-strong table with seven points from eight games.

Grange are eighth with six points from eight starts and they have a vastly inferior goal difference.

Meanwhile, at the other end of the table, Edinburgh University women aim to secure their seventh win in eight games and retain pole position in Division One.

The reigning champions have 18 points from seven fixtures and host fifth-placed Western Wildcats (14.30) who are three points worse off with the same number of games played.

It's a feature clash in the four-game programme and elsewhere second-bottom GHK host bottom club Kelburne (13.30) in a real basement battle and third-placed Grove Menzieshill entertain Hillhead (14.30) who are seventh.

Dundee Wanderers host Clydesdale Western on Sunday (noon).
