

Balloonatics – Chris Henry: Get Ready to go Balloon Crazy!

Comedian Chris Henry has issued a Christmas invite to children to join his army of Balloonatics at Edinburgh's Gilded Balloon's new venue in the Basement Theatre over this festive period.

Glasgow-born Henry has performed in front of packed houses in Adelaide, Melbourne, Bangkok, Singapore, and Glasgow.

Balloonatics is a comedy which will entertain families this Christmas with fun, jokes and general silliness to keep children and adults alike entertained.

Henry says: "I was inspired by my brother's family to create a show for kids that wasn't painful for adults to watch too. That's when I decided to blend my minimal balloon modeling skills, with what I am good at – making people laugh."

Balloonatics is at Gilded Balloon's Basement Theatre – Edinburgh on 16th, 23rd and 30th December 2017 at 2.00pm

Tickets are just £10.00 and can be purchased [here](#).
