

# Edinburgh College invites you to their open Days

There are three open days in December for prospective Edinburgh College students looking to sign up for courses in the New Year.

If that is you then you can meet staff who will be able to help you find your best study options.

There are currently 19,000 students enrolled in part-time, full-time and evening courses in four sectors: Engineering and Built Environment; Creative Industries; Tourism, Hospitality and Business; and Health, Wellbeing and Social Science. You can sign up for courses starting in January 2018, and get information on the courses beginning later in the year, and will be taken on a tour of the campus at the same time.

Edinburgh College Principal Annette Bruton said: “We look forward to welcoming prospective students to the college and I encourage anyone thinking of studying with us to come along to the open days to find out more about the courses we offer. We have courses to suit everyone, from school leavers, to people wanting to improve their job prospects, boost their qualifications or learn new skills in 2018.”

The open days will be held from 4– 6.30pm on:

**12 December 2017 – [Milton Road Campus](#)**
