

Craigentinny & Meadowbank Community Council – Monthly Meetings

Do you want to be part of something which can help you and others?

Are you fed-up of always seeing the same pot hole in the road over and over again or fed-up of seeing your bins scattered all over the street?

Questions about all those big plans the city council has?

Joining us during our community council meetings could be the first step to helping all of us make our area an even better place. Come and take part in our monthly community council meetings, our objective is simple:

Help the Community Council support the Craigentinny & Meadowbank Community.

Craigentinny & Meadowbank CC would be lucky to have you on board, everyone has an interest and that's what is interesting to us. Meetings are held on the last Monday of each month at 19h @ the Craigentinny Community centre an agenda of each session can be found here:
