In addition, the package includes a luxury gift box full of Outlander related goodies.

The exclusive guided tour package features a one-day private driving tour of five filming locations with an expert guide. Guests can choose from one of three tours; the West Lothian tour which includes visits to Midhope Castle (Jamie Fraser's family home) and Linlithgow

Palace (Wentworth Prison), the Stirlingshire and Perthshire tour which includes visits to Doune Castle (Castle Leoch) and Callendar House (Duke of Sandringham's house), and the Fife tour which includes visits to Aberdour Castle (Sainte Anne de Beaupre's Monastery) and Falkland (1940s Inverness).

Also included in the package is a luxury Outlander-inspired gift box which will be awaiting guests on arrival. The box includes a detailed map and guide from Visit Scotland on the Outlander filming locations, an itinerary for a self-guided Outlander tour in Edinburgh, a book of illustrations of the Scottish Outlander filming locations, a Jacobite inspired welcome drink on arrival and a voucher for an exclusive, private show round at Edinburgh Outlander retailer The Knight's Vault (must be pre-booked) where guests will be able to get their hands' on a replica of Jamie Fraser's sword and dirk. This one-off opportunity lets guests see and hear about weaponry how it was made and used throughout Scottish history, in particular during the Jacobite period.

Guests who prefer to go it alone and do the self-guided Edinburgh tour will also enjoy the box of Outlander goodies. This option provides guests with an Edinburgh based list of recommendations of local Outlander film locations. The team at The Chester Residence are also on hand to recommend those locations within a short drive from the city centre such as Blackness Castle and Hopetoun House which featured in series one and two.
