

Hockey – Trinity Academy girls pick up the silver

Trinity Academy girl's hockey team has won their first silverware in 14 years, and not just one cup but two.

The team beat Edinburgh Academy in the East District Plate on Thursday on penalties after a 1-1 draw in normal time.

Last week the team beat Aberdeen Grammar School to win the Aspire Cup.

As the head teacher said : "This is an amazing accolade for the girls, P.E. staff, coaches and volunteers."
