

# Omni Centre closed due to gas leak

The Omni Centre in Greenside Place is expected to remain closed until this afternoon following a reported gas leak earlier this morning.

The building has been evacuated whilst contractors work on the leak.

Staff have apologised for any inconvenience.

A statement from the Nuffield Health Gym said: "The Omni Centre has a suspected gas leak so we have evacuated the full centre.

"We will update you as soon as we know anything but the centre manager thinks it may be early afternoon.

"We are currently trying to get a text out to all members and apologise for any inconvenience!

"If your car is in the car park you can exit the car park but no cars getting in."
