

Speedway – Dickson out after 20 years

Stewart Dickson

Glasgow have announced that Stewart Dickson has stepped down as Tigers team manager with immediate effect.

Dickson notified the club of his decision following a near 20-year stint with the Ashfield club as an owner, promoter and team boss.

Cami Brown will now step into the manager role, having been brought in as Dickson's assistant during the winter, supported by co-promoter Michael Max.

A spokesman for the Tigers said: "The club would like to thank Stewart for his service and wish him well for the future."

Glasgow head to Edinburgh on Friday to defend a ten-point lead in the Scottish Cup when Brown will take on his first meeting in his new role.
