

Leith Market celebrating All Things Leith

The weekly market is going big on 28 April 2018 when they will hold a celebration of All Things Leith for the second year in a row.

There will be 49 stalls including their regular traders, with food stalls to tempt you and the opportunity of having a look inside Custom House which will be open for the day.

The stalls are many and varied with meat, fish, french bread, coffee, cakes, olives and tapenade, Harris Tweed to name but a few.

Special fitness classes including yoga, pilates and meta fit will take place inside Custom House led by Projekt42.

Loads of organisations will be there to take about the work they do such as Leith Festival, Leith Theatre Trust, Coburg House Art Studios, Leith Creative, Dok Artist Space, Save Leith Walk, SS Explorer, Out of The Blue, WorkingRite and the police!

This is a great day out for the family and for you to see for yourself some of the vibrance that is shining out of Leith.
