

New Deals for Hearts Pair Cochrane and McDonald

Hearts have announced new deals for teenage starlets Harry Cochrane and Anthony McDonald.

Both have made an impact since breaking through to the Hearts first team this season with Cochrane scoring his first senior Hearts goal in the 4-0 thrashing of champions Celtic in December and McDonald setting up both Hearts goals in a 2-0 win over Dundee earlier that month.

The pair have both put pen to paper on new deals which will keep them at Tynecastle until 2021.

Leaving Tynecastle at the end of this season will be Prince Buaben and Connor Randall. Buaben signed for Hearts in the summer of 2014 and was a key member of the team that romped to the Championship title in season 2014/15.

Randall came to Gorgie on a loan move from Liverpool last summer and he will return to Merseyside at the season's end.
