Watsonian Ladies are hosting their annual Festival for the second year running on Sunday 29 April 2018, and this year it is set to be bigger and better.

Held at Myreside and Craiglockhart Cricket Grounds we have the unique opportunity to run four matches at once, which makes a great day of exciting cricket.

Ladies Cricket Club.

This promises friendly competition with a wide representation of cricketing standards, celebrating the first outdoor cricket fixtures for all clubs this season.

First matches start at 10am and will run through to presentations at 5.45pm.

Did someone say Kwik Cricket? We are also running a Kwik Cricket Tournament for younger participants, supported by Cricket Scotland, aged between 9-14 years.

There will also be stalls from local businesses supporting the event.

There is limited parking at both Myreside and Craiglockhart grounds, there is more space to park on the roads outside the grounds.
