

Wild day at the Zoo

Over 400 guests from six Scottish charities joined in the fun at this year's Wild about Scotland Community Day at RZSS Edinburgh Zoo.

Scottish charities Barnardo's, Children 1st, Children in Scotland, Circle, CLIC Sargent and Aberlour were all in attendance on Wednesday.

The event, delivered by the Royal Zoological Society of Scotland with support from Clydesdale Bank, saw over 400 tickets being handed out to young people and families, who are using the support services of the six chosen charity partners. The charity guests spent the day visiting the zoo and getting hands on with nature.
