

Jackie from Dermal Clinic wins at The Look Awards 2018

Dermal Clinic in Morningside are putting up new shelves for two more awards won by their co-owner and Clinical Director, Jackie Partridge, last week.

Jackie took home both the Best Independent Nurse Prescriber in Scotland and Best Clinic in Scotland at the Look Awards 2018. The Look Awards recognise the best of what the hair, beauty and aesthetics industry has to offer.

After bringing home the two new awards to sit beside around 20 others they have won, Jackie said : “We are absolutely over the moon. To accept one award is fantastic, but two is just such an honour.

“Our team at Dermal Clinic works extremely hard to offer clients the highest standard of service with quality results – for them to be recognised is a win in itself.

“From all of us at Dermal Clinic, we would like to thank The Look Awards for recognising our work and say a big congratulations to all the other winners and nominees.”

Only the previous week Jackie and the team won the titles of Best Clinic in Scotland and Highly Commended Best Nurse in Scotland at Scotland’s Medical Aesthetic & Cosmetic Awards. The awards were hosted by BBC Scotland’s Kaye Adams.

Dermal Clinic is located on Church Hill Place in Morningside. It was founded in 2007 by Jackie and her husband Jarrod.

The clinic promotes a 'look better feel better' ethos, offering state-of-the-art cosmetic treatments performed by medically-qualified practitioners.
