

# Jewellery sale at Bonhams – perfect gifts for a bride...

At the photo call for Bonhams Jewellery sale this morning we found the perfect gift for your bride. The gold charm bracelet which has 26 charms on it features not one but two carriages, two churches (one with a bride and groom inside) and a cross for good measure.

Tiny carriage with a princess inside.

At the other end of the price spectrum there is a 3.57 carat diamond brooch which is likely to fetch up to £10,000. Jewellery specialist Nathalie Rodwell posed for us with that.

This is likely to fetch around £3,000 at the sale next week on 23 May 2018.

Bonhams 22 Queen Street 23 May 2018 Sale starts at 11.00am.
