

Hibs launch new kits for season 2018/19

Hibs have launched new home, away and goalkeeper kits for the 2018/19 season.

The home kit features a series of diamonds in different shades of green sweeping across the jersey.

The traditional white sleeves remain, with white shorts and emerald green socks with a bottle green fold over cuff.

The secondary kit will be white with bottle green sleeves and trim, giving a twist on a heralded classic.

The shorts are bottle green with white trim and the socks white with a bottle green fold over cuff.

Laura Montgomery, Head of Sales & Sponsorship at Hibernian, said of the kits: "As a club, Hibernian has an enormously rich history in terms of on field success, great players and iconic kits."

“In the modern-day sense we like to think of ourselves as a progressive club, one which is moving forward, but is also respectful of our past – which is why we have selected three shades of green on the home top and revived a classic for our away jersey.

“The designs are bold and will join a repertoire of striking kits in our back catalogue. We called on the fans to define the next generation and you have responded; these kits will merely add the additional colour to our 12,000 season ticket members who have signed up so far for the next campaign.”
