

# Scottish SPCA to host charity Golf Day at Archerfield

The Scottish SPCA is inviting golf lovers to sign up for their Golf Day with Lex Autolease on 6 September.

Scotland's animal welfare charity is hosting the corporate golf event at Archerfield golf club in North Berwick.

Scottish SPCA Animal Rescue and Rehoming Centre Superintendent Sharon Comrie said, "Businesses can enter teams of four into the event, which will raise much needed funds for Scotland's animal welfare charity. The day starts at 10am with tea, coffee and bacon rolls before a shotgun start to the golf competition.

"The event will culminate in a fantastic three course dinner and prize giving ceremony, providing a fantastic networking opportunity as well as a great team building day or a unique way to reward employees.

“As the Scottish SPCA receives no government or lottery funding the support from businesses is vital so that we can continue our life-saving work rescuing Scotland’s animals.”

Linda Rivett, Regional Director from Lex Autolease said, “At Lex Autolease we recognise that outside funding is critical to the continued success of the Scottish SPCA. Supporting the golf event is our way of demonstrating how much we value working in partnership with such a worthwhile cause.”

To book your place please contact [david.webster@scottishspca.org](mailto:david.webster@scottishspca.org).

Anyone concerned about the welfare of an animal should contact the Scottish SPCA animal helpline on 03000 999 999.
