

At Gallery Ten this August – Festival Exhibition 2018

This August at Gallery Ten on William Street they are showing a collection of objects, sculpture & functional works made from WOOD.

There will be works by well known and emerging artists, both national and international designed to complement the objects with a collective theme of the TREE.

Look at the wood and see the trees

Incredible vessels from Pascal Oudet, sculptural works by the late Tim Stead, contemporary Shaker ware from Ian Fraser, furniture by Namon Gaston and Isabelle Moore, panels from Adrian McCurdy and quirky works by Arran Ross and Sid Burnard, all from WOOD.

Paintings and original prints by artists including Terry Frost, Patrick Heron, Tom Hammick, David Hockney, John Piper and Scottie Wilson.
