

Edinburgh Festival Fringe 2018 – 3 Years, 1 Week and a Lemon Drizzle

3 Years, 1 Week and a Lemon Drizzle examines the relationship between two sisters and how their close bond was affected when one of them was diagnosed with a severe eating disorder as a teenager.

Showing at 2.25 at Underbelly Bristo Square

Recalling touching memories, laugh-out-loud anecdotes and Mars bars, this searingly frank and painfully funny two-hander examines what it's like to live with a loved one and their mental illness. 3 Years, 1 Week and a Lemon Drizzle seeks to show the powerful bond that endures throughout mental illness and reinforces the enduring message – you are not alone.
