

Edinburgh Festival Fringe 2018 – Paddington Bear's First Concert

Join Paddington Bear on his adventures as he leaves home, meets his new family and enjoys his first concert – not without causing his fair share of mayhem, of course! The charming tales of everyone's favourite bear now come to life with storytelling, narration and a live orchestra.

An onstage narrator will guide audiences through this classic story, offering a wonderful introduction to live classical music with games and challenges that will teach children about instruments and the sounds they make – this enchanting children’s concert will appeal to everyone who loves the curious and cheeky bear. With exciting audience participation

from the outset, children in the audience become a true part of this story.

1-26 August 2018 (not 13 th), 11:20, Underbelly Bristo Square (Cow Barn), Teviot Place, Edinburgh, EH8 9AG
