

Hibs announce Environmental Waste Controls as club's new waste partner.

Hibs have announced Environmental Waste Controls (EWC) as the Club's new Waste Partner.

EWC are a multiple award winning waste and recycling management company and will manage the waste at both Easter Road Stadium and Hibernian Training Centre throughout the duration of the partnership.

Stirling Scott, Commercial Manager from EWC said of the partnership: 'We are delighted to team up with another football club to offer an environmentally friendly way of managing Hibernian FC's waste. We look forward to helping turn the Club greener.

Brett McGoldrick, Sponsorship Manager at Hibernian FC said: 'We are very happy to have EWC on board as our new official

waste partner and welcome them into our growing list of Club sponsors for the new season.
