

Summer 2018 at The Scottish Arts Club

All of the events at the Scottish Arts Club are open to the public and you can find more details of them here on the club's [website](#) (and also details of how to join).

In August, The Scottish Arts Club becomes Festival Fringe Venue 310 and will also become the **ClubFest** home to local, national and international performers at selected times.

Why not get your Edinburgh Festivals off to a good start with a Whisky & Salmon Tasting [evening on August 3rd](#) then follow up with classical recitals, cabaret, jazz, poetry, a Gin Tour of Scotland, harp music and history, or a touch of Arthur Sullivan, during lunchtime or evening performances.

Tickets are available from the Bar or on the door 30 minutes before each performance. Please click on [this link for full details](#).

The Festival Exhibition is of work by John Mooney RSA RSW from Wednesday, August 1, 2018 11:00 AM until Sunday, September 2, 2018 5:00 PM

In addition to the Exhibition Opening, a talk will be given by the Robert Louis Stevenson Society.

6 ° W E S T is Anne Devine, David Faithfull, Alicia Hendrick and Mhairi Killin

The Exhibition will be available for the Festival Period in the McTaggart Room (Dining Room).

'Fete Champetre'

Garden Party 2018

This year's Garden Party will take the form of a Fete Champetre.

This was an outdoor entertainment popular with 18th century French aristocracy who would take picnics into their landscaped gardens in order to recreate a pastoral idyll.

Steve at the Club is going to provide luxury picnic baskets at £25 a head based on those provided at Glyndebourne by Fortnum and Mason, and trestle tables will be provided for those who do not want 'dejeuner sur l'herbe'.

There is no need to dress up in 18th century costume but it would be good if you would dress as you would for a special occasion like Ascot.

Lunch at the club followed by a group visit to St Cuthbert's Church to see the Bill Viola exhibition. Guided tour of the church and its historic connections from the minister, Peter Sutton.

This church provides an evocative location for work by an artist who consistently explores such universal human experiences as spirituality, birth, and death. The piece is 'Three Women (2008)' which has been shown previously in an ecclesiastical setting and has most recently been on display in the Grand Palais, Paris and the Guggenheim Museum in Bilbao.
