To celebrate 100 years since women were granted the vote, we're inviting you to join Emma Gannon – writer, broadcaster and podcast host – along with our expert panel of female business leaders at The Principal Edinburgh George Street on 5 September to celebrate and connect women at all stages of their careers, to discuss their journeys so far, where it all began and what they've learnt along the way.

Emma Gannon will be joined by ex-fashion and beauty editor, Susie Cormack Bruce and several of Edinburgh's local female entrepreneurs including the founder of the Edinburgh Gossip Girls, Kylie Reid, and Susan Doherty, founder of concept store Life Story.

The event will bring together Edinburgh's most inspiring, like-minded, motivated women and encourage them to support one another and thrive together.

The event is free to attend and breakfast and refreshments are included.
