Craigmillar Library

Help is available to work up your proposal and the Portobello/Craigmillar Neighbourhood Partnership are holding a launch event on 5 September 2018 at Craigmillar Library where a range of funders will be available to advise.

There are two funding levels. Groups can apply for a smaller amount of £500 or a larger amount of £2,000. For the larger grants there has to be public voting which begins on 29 October and runs until 9 November. Results are announced on 12 November.

Everyone who lives, works, volunteers or studies in the area can vote – from age 8 upwards. You will get the opportunity to learn about the various projects at a Meet the Funders Event and the date for that will be announced soon.
