

Holiday homes available at Taymouth Village

A HOLIDAY HOME IDYLL JUST AN HOUR & A HALF FROM THE CAPITAL!

Four New Highland Lodge plots are now available at Taymouth Village ahead of the busy autumn period.

Homes at Taymouth can be built to a design of your choosing

Four Highland Lodges, on spacious new plots with spectacular views, are available now at Taymouth Village. The popular Holiday Park is situated on the five star Mains of Taymouth Country Estate & Golf Course at Kenmore, around an hour and a half drive time from the Capital.

Buyers can choose which style of lodge they would like to have built on the plots, a choice of the "Tay" or the "Riverside", both popular designs from award winning Island Leisure, Scotland's leading provider of luxury lodges in Scotland.

Prices are from £179,000.

The homes are fully furnished

Fully furnished, and featuring two or three bedrooms, the lodges are complete with luxury fully fitted kitchens, spacious living areas, and en-suite master bedrooms. Other attractive features are stunning vaulted ceilings, and expansive floor to ceiling windows. Outside, buyers will find decked areas, private drives and large garden areas, so that they can start enjoying the superb scenery all around the park straight away.

Lodges can also be custom designed to suit individual layout requirements, with features such as utility rooms, saunas or studies incorporated into the overall design.

Taymouth Village is a mature park

Family owned Taymouth Village is a well maintained and mature park, which gives lodge owners easy access to whole Mains of Taymouth five star estate, with its nine hole golf course, equestrian centre and restaurant, shop and deli. The area is ideal for those keen on fishing, walking, golfing, biking or nature spotting.

“With autumn on the horizon, these four plots represent a great opportunity to buy into Taymouth Village for a permanent holiday home for owners and their families and friends to enjoy,” said Pauline McLaren, General Manager of Mains of Taymouth Country Estate and Golf Course. “The four plots all enjoy views along the River Tay, a very picturesque location which does not become available every day.

“The full package we offer includes on site maintenance and security, and is another added bonus for our buyers here. It ensures that we are multiple rated for our overall service and amenities.”

Taymouth Village is within a short walking distance into Kenmore village itself, where the local hotel and post office can be accessed. For further details on the lodges at Taymouth Village, please call on 01887 830226 or visit www.taymouthvillage.co.uk
