

Easter Road tours available to book for October and November

Easter Road Stadium Tours are available to book this October and November, running on most Fridays from 12 October until 30 November, beginning at 2pm and lasting approximately 90 minutes.

Since being brought back, the tours have proven to be hugely popular with Hibs' supporters and those with an interest in football enjoying their afternoon at the home of the club.

Led by members of the Hibernian Historical Trust, the tour will recall the history and folklore of the club, stretching back to its humble beginnings in 1875 and right up to the modern-day era of Hibernian.

Supporters who join the tour will see rare artefacts up close, such as programmes, Hibernian kits, opposition jerseys, football boots and trophies, as well as having the opportunity to step inside the dressing rooms, stand in the tunnel, before exiting via the five steps up to the pitch to take their seat in the dugout.

Tickets can be booked via the club website.

Tours are priced at £10 per adult, £7.50 per concession/student or £5 per child aged between 5 and 16. For children under 5 years of age entrance is free.
