

Hibs travel to Glasgow for penultimate game in SWPL

Hibs travel west to face rivals Glasgow City this afternoon in the penultimate weekend of the Scottish Building Society's SWPL in a game which could make or break either side's title-winning aspirations.

Both club's are undefeated in the league and the two sides met just last weekend in the SSE Scottish Women's Cup in Stirling where goals from Reilly and Murray secured a place in the SSE Scottish Women's Cup Final.

Hibs also knocked the Glasgow side out of the League Cup earlier in the season, before going on to lift the trophy.
