

Highland Safaris have a gift experience for you

Looking for festive gift ideas, to get everyone out and about next year?

A gift voucher from Highland Safaris can be used to explore the spectacular natural environment of Highland Perthshire all year round, with a 4x4 Landrover Safari, or a day at Highland Safaris' gold panning, visiting the Red Deer Centre, and having lunch in the café.

Use the voucher as you would use cash to come up with the itinerary that's right for you!

You could also opt to use your voucher between April and October on a Loch Tay Safari, witnessing the stunning scenery of Perthshire's largest loch, together with its folklore, history and mysticism.

Based at Dull near Aberfeldy, Highland Safaris is around an hour and a half drive time from Edinburgh.

To buy your voucher please call [01887 820071](tel:01887820071) or order online at <https://www.highlandsafaris.net/vouchers/>
