

Love Golf? Keep in the swing this winter with Edinburgh Leisure

Unlimited monthly winter-golf for just £21 per month

For die-hard golf fans, who want to keep in the swing of it, even during the winter months, buying Edinburgh Leisure's 'winter golf membership' just got easier and can now be bought online for the first time. With minimal use of winter greens and no mats, it's the ideal opportunity to keep your golf on par until the summer returns.

The winter pass is valid from 1 October 2018– 31 March 2019 and allows access to Edinburgh Leisure’s four, 18-hole golf courses. Payable monthly by direct debit until March 2019, different membership options are available including access to all the courses, seven days a week; and a five-day membership with access to all courses Monday to Friday. The membership also means 25% off other Edinburgh Leisure activities

including the gym, swimming, racquet sports and climbing, at the various Edinburgh Leisure venues across the city.

Edinburgh Leisure's 18-hole courses are Braid Hills, Carrick Knowe, Craigentenny, and Silverknowes. The Wee Braids, a 9-hole course, can be played up until 30 November 2018 and again in March 2019.

The Golf Membership is available to buy at any Edinburgh Leisure site and online – www.edinburghleisure.co.uk/memberships/golf.
