

The Hibernian FC Taxi! Board Game is now available to purchase

Hibs' fans looking for Christmas present ideas should consider The Hibernian FC Taxi! Board Game which is now available to purchase online or from the Hibernian Clubstore from 10am this morning

The new game is full of fun and knowledge for all the family (12 years+) and is priced at £32.95.

Taxi! Board Game contains 500 history and general knowledge questions about Hibernian, and just like driving a taxi, the better your knowledge, the better the tips, the more you earn. When your fare ends, answer a question on Hibs to gain a tip.

Taxi drivers have an opinion on every subject, land on one of the 'Sound-Off' squares and it's your turn to sound-off like a cabbie. The 'Sound-Off' cards contain a hundred varied Hibs and football subjects. On being told the 'Sound-Off subject', you have 30 seconds to mention as many of the six key words printed on the card. Every key word you mention increases your takings.

Driving a shift in a taxi is a combination of luck and

knowledge, turn left you may get a £5 fare, turn right and you could get a £40 tour. This is reflected in the 'Taxi Board Game' by the 'Give or Take' squares. Keep the card for yourself or pass it to a fellow player. Is your luck in?

The duration of the Taxi driver's 'shift' is decided at the outset and the person with the most money at the end of the agreed shift time.

If you know your history, this is the game for you!
