

# Top Solo Drag Show Heads to Edinburgh

Following two consecutive sell-out UK tours, including three sold out nights at London's Eventim Apollo, comedy queen and RuPaul's Drag Race champion Bianca Del Rio has announced that she will be returning to the UK for an unprecedented arena tour next year.

The brand new It's Jester Joke Tour will head to the Edinburgh Playhouse in September in what will be the biggest ever solo drag show in the UK.

The self-proclaimed 'Clown in a Gown' will tell tales of her world travels and the outrageous circus that is her life.

Bianca Del Rio, the alter ego of seasoned comic Roy Haylock, aims to keep audiences in stitches with her comical 'tell-it-like-it-is' views, from politics and travel to family and social media that has seen her become one the biggest drag superstars in the world today.

Bianca Del Rio's 'It's Jester Joke' will be at the Edinburgh Playhouse on Saturday 7th September 2019.
