After a phenomenal year last year when Elite Dry cleaners of Leven Street won 2 National Industry Awards, one for Best Customer Service 2017-18 and the other for Drycleaner/Wetcleaner of the Year 2017-18, they have done it again.

This year has been exceptional, starting with winning the Drycleaner of the Year 2018 award at the Scottish Independent Retail Awards they then went on to win another two national industry awards at a prestigious event organised by LCN (Laundry and Cleaning News). Here they won again : for Best Customer Service 2018-19 and Best Independent Drycleaner in the UK 2018-19.

Now they have just added to their success by winning for the second year in a row The National Industry Award for Drycleaner/Wetcleaner of the Year 2018-19 at the Laundry and Drycleaning Awards (LADAs) organised by Laundry and Cleaning Today.

Last month the CINET Global Best Practices Awards 2018 were held in Milan, Italy.

After an official selection procedure, ELITE DRYCLEANERS presented a three minute pitch presentation for the International GBPAP 2018 Jury.

This led to them winning 12th place in the Retail Textile Cleaning category out of 150 official registered extraordinary Professional Textile Care companies from 40 countries.

The awards function as a platform to highlight best practices in PTC and demonstrate the industry's focus on a high standard of quality, new business models, innovation and

sustainability.

A spokesman for ELITE DRYCLEANERS said : " We are proud to be selected for this award. It showcases our focus on servicing our customers as best as we possibly can.

"We are overwhelmed to have had such a successful couple of years and very honoured to be awarded 12th place in the world."
