

Enjoy the gift of time from CALA this November

CALA Homes (East) is offering the 'Gift of Time' this Christmas by enabling buyers to reserve select homes by the end of November at a reduced fee of £500, with nothing more to pay until February 2019.

With a choice of 3, 4 and 5-bedroom homes and 1, 2 and 3-bedroom apartments available at locations throughout Edinburgh and the Lothians, buyers will be spoilt for choice.

Those looking to live close to the capital's nightlife and sights would be well-suited to Kingfisher Park or Ravelrig Heights in the picturesque suburb of Balerno, while Fentoun Green and Marine Rise in Gullane are perfect for downsizers looking to settle by the sea.

Families in need of space to grow within commuting distance of the city can also take their pick at a variety of developments around the popular county of Midlothian.

Eagle's Green in Bonnyrigg takes advantage of the area's amenities and attractions, including Dalkeith Country Park, and Chapel Lawns in Roslin offers the best of both worlds – semi-rural bliss within easy reach of busy Straiton Retail Park.

Philip Hogg, Sales and Marketing Director with CALA Homes (East), said: "With no deposit to pay until February 2019, buyers could secure their dream home with just £500 this November and enjoy Christmas safe in the knowledge that their new CALA home is waiting for them in the new year.

"This will allow buyers to focus on enjoying the festivities

and time with family and loved ones, before embarking on an exciting new chapter in 2019 in their new CALA home.”

‘The Gift of Time’ offer is available on selected homes on reservations taken on or before 30th November 2018. For more details, talk to a CALA sales representative or cala.co.uk/terms.
