

# Voting opens to find Hibs Player of the Month for October

The Hibs' Player of the Month Award has made a return for the 2018/19 season and is sponsored by Newtown Décor, with voting now open for October's competition

Each month the club will be asking Head Coach Neil Lennon and his coaching staff to nominate four players.

The supporters will then have the opportunity to have their say on the winner.

Ryan Porteous and Efe Ambrose have won the awards for August and September respectively, and now the voting for October's Newtown Décor Player of the Month is open.

Fans can select from the following players:

Martin Boyle

Flo Kamberi

Stevie Mallan

Lewis Stevenson

Voting will remain open for two days and will close at 12pm on Thursday 8 November when the winner will be announced. Supporters will be able to vote via the club website.
