

Ziggy's celebrating 35 years in the business

HAPPY BIRTHDAY ZIGGYS

As it celebrates an incredible 35 years in business this month, Ziggy's, the dynamic rock themed diner in Murray Place, St Andrews, run by Philip and Annie Wishart since 1983, is celebrating local produce.

The well loved location for ribs, steak, fajitas and homemade burgers, as well as chicken wings, nachos and burritos, Ziggy's meat is supplied locally by award winning Crail

butchers, JB Penman, and the equally top notch Scotts of Dundee.

The diner is also home to the couple's extensive collection of music memorabilia, with a selection of specially crafted, fully playable guitars, including one based on David Bowie's Ziggy Stardust guitar.
