

The Mac Twins will lead the street party at Hogmanay

Alana and Lisa otherwise known as The Mac Twins are ready to play you a selection of tunes and see in the New Year here in Edinburgh

With long johns at the ready and chat already well-honed these two are looking forward to Hogmanay in their hometown. They posed for photos yesterday with the Johnnie Walker 'Striding Men' on The Mound. Johnnie Walker are sponsoring the Street Party and we were told there were still some tickets.
