“So far here at The Views, we’ve just been selling the Vorlich from plan, so it’s exciting to finally have an actual property that prospective buyers can

view, seeing for themselves the unique features and characteristics of this unusual five bedroom split level home,” said Sharron McCarthy, Sales and Marketing Manager for Allanwater Homes. “The views really are amazing from this property too. Now that it is constructed you can really appreciate them. This is a beautiful part of Fife, and we are really making the most of it.”
