

Witness appeal after attack on train conductor at Edinburgh Gateway

British Transport Police are looking for help to identify a man whom they believe he may be able to assist with their enquiries into an assault of a train conductor which took place at Edinburgh Gateway station.

On 2 December at approximately 9.20pm, two men boarded a Kirkcaldy bound service at Edinburgh Haymarket.

Shortly after the train departed, one of the men became threatening and aggressive to other passengers.

As the train reached Edinburgh Gateway, the conductor asked the man to leave the service as a result of his behaviour.

The man then followed the conductor onto the platform where he assaulted him.

Officers believe the man in the CCTV image may have information which could help their investigation.

If you recognise him, or have any information, please contact BTP by texting 61016 or calling 0800 40 50 40 quoting reference of 573 of 02/12/18.
