

Speedway – Monarchs' away highlights show confirmed

The popular Away Highlights Show returns on Friday, March 1 to showcase the best of the Edinburgh Monarchs' away action from last season and it is in a new venue.

The show will take place on Friday, March 1 at the lecture theatre at Napier University, Sighthill, EH11 4BN from 7:30pm, doors open at 7pm.

This move builds upon the popular reinvention of the 2018 Home Highlights Show which sold out recently at the Music Box at Edinburgh College.

Napier's lecture theatre offers a greater capacity while still benefiting from fantastic facilities, excellent public transport links and a large free car park.

It is hoped that this will become the long-term home of both highlights shows.

Monarchs had some exciting racing and a couple of notable results on the road in 2018 and fans can enjoy some of the best racing on the big screen.

There will be a raffle, a merchandise stall and any celebrities that are in attendance will speak to the crowd.

Tickets are priced at £5 and fans are advised to book early to guarantee a seat.
