

# At The Stand on Sunday – Glenn Wool

Award-winning Canadian comic Glenn Wool is back on the road with a show dedicated to his funniest and finest punchlines and will appear at The Stand on Sunday 10 February 2019.

Now comfortably in his forties and a new dad, Glenn delves into his back catalogue of material spanning 25 years to perform some of his more subversive routines in this intelligent comedy best-of. Does he still agree with his early points of view or has he finally grown up?

Glenn has performed all over the world since settling in the UK back in the mid-nineties, and you may have seen him on 8 Out of 10 Cats, Never Mind the Buzzcocks and Russell Howard's Good News.
