

Brum's Beautiful Beast Feast Ballet coming to Edinburgh

A national tour of David Bintley's gothic fairytale from January 2019 with exclusive Scottish dates at the Festival Theatre.

The storybook fantasy of Birmingham Royal Ballet's *Beauty and the Beast* unfolds on a national tour from January to May 2019. Love conquers all in David Bintley's mysterious and magical production, which highlights the intriguing darkness of the original 18th century fairytale.

A cruel Prince, cursed to spend the rest of his life living in a fantastical castle with the animals he callously hunted, finds salvation in the heart of a beautiful girl.

Caught stealing a single rose, Belle's desperate father exchanges his youngest daughter's freedom for his own life. In his distant castle the Beast, stripped of his handsome features and his very humanity, must win her heart, or spend the rest of his life in bitter solitude..

In this enchanting story of inner beauty, witness transformations, wild waltzes, soaring birds and a relationship between Belle and the Beast that is at first terrifying, but ultimately serene and beautiful.
